Plaintiff response To The  
States Defendants Motion for Enlargement of  
Time

I monty Pepper in response To The  
States request for a enlargement of Thirty  
days To respond

Under standing That The State has  
unlimited Time and funds as well as access  
To law Second To none, ignoring These facts

I would agree To The enlargement of  
Time up To Thirty days as requested  
by The State For The following  
reasons

(1<sup>st</sup>) The severity and seriousness of the facts

I have presented in the said action should be thoroughly investigated by the Attorney General office. As the ACLU has informed me of possible criminal charges against some defendants involved in the instant action

Furthermore I feel that the Attorney General's office in there responsibility to uphold justice and the law can not ignore the facts as well as the truth in this case

2<sup>nd</sup> As to the points the Attorney General makes of the very wide range of claims and grievances they should also be aware of letters sent to counselor McFadden internal affairs the warden as well as Superior Court Judge Vaughn, and others including the US Attorney General the US Commission on Civil Rights as well as the

Department of Justice Civil Division and The  
ACLU and News Journal which I wate for a  
rcsponse conserring The Death of mr Williams  
and The instant action and additional witnesses  
3# In The intrest of Justice maybe The ATTorney  
Genral office would be better served by applying  
for "wistle blowers" STAtus for officers That will  
Testify in my behalf who Fear as I do from  
retaliation or involve The F.B.I ,  
Where fore for The reasons sTAted and  
knowing The obligation The ATTorney Generals  
office has in upholding The Constitution and The  
Law and seeking out The Truth I do hereby  
request There motion for enlargement of Time  
for Thirty days be granted

Further more I would request The STaTe file  
motions in a manner That Leaves me with  
sufficient Time To reply

Where as The restrictions To Delaware  
Correctional Centers Law Library leave's me  
with insufficient Time To file responses  
with copy's as required and research  
Court Rules To verify The motions Facts  
Also being a inmate in DCC, Phone Calls  
can easily be set up by appointment There  
are phones in This bulding
